

You Are Not Alone

Get support whenever you need it.

Burnt out? Overwhelmed? Worried about someone you love?

ELCA-Primary health benefits provide you and your covered family members with immediate access to mental health support. Don't wait to get help!

When you need help now, call EAP

Your Employee Assistance Program (EAP) offers 24/7 support when you or a covered family member is facing life transitions or challenges, stress, grief, or issues with relationships, substance use, or sleep.

Your EAP includes six **no-cost** counseling sessions per year, per issue with master's-level counselors, legal and financial advice, and more.

Call: 800.432.5155

Don't know *where* to start?

Your Portico Care Coordinators can help you understand what's covered* by your ELCA-Primary mental health benefits, including:

- Benefit offerings available to you
- A list of in-network mental health and primary care providers in your area
- How to get prior authorization for more intensive or inpatient care

Call your Portico Care Coordinators at 877.851.5656.

For a self-paced approach

Whether you're managing ongoing mental health challenges or simply looking for extra support for you and your covered family members (ages 13 and up), try Learn to Live, our **no-cost** online mental health program.

Learn strategies for managing your stress, social anxiety, depression, insomnia, or substance use at your own pace.
